

Guide to using the resources for learning about PaCT Years 1–8

The resources on the *Learn about PaCT* webpage¹ are designed to help you develop your understanding of PaCT. There are a variety of resources that you can use by yourself, with a small group of teachers, or within your school or Kāhui Ako. For more detailed information about PaCT and how it's used, refer to the *Making PaCT judgments* webpage², and the *Using PaCT reports* webpage³.

For introductory information about PaCT ...

1. Read the key messages about PaCT on the webpage.
2. Watch the video *Learn about PaCT* which explains the purpose and design of PaCT, and describes how the tool is used.

For more detailed information about PaCT ...

1. Read the more info resource *About the Progress and Consistency Tool* which describes how PaCT supports teachers' judgments and how it works.

For information about how PaCT is used...

1. Watch the videos of teachers and school leaders talking about their experiences with PaCT:
 - *Lorraine from Lynmore Primary School makes the point that PaCT is an efficient professional tool for teachers, not a test for students.*
 - *Tineke from Lynmore Primary School highlights the significance of PaCT in showing the progress of every learner.*
 - *Vanessa from Porirua School talks about the impact of teachers' increased understanding of progress on their traditional assessment practices.*
 - *Beverley from Devonport Primary School describes how they use PaCT data to track priority learners.*
2. Watch the screencast *How to navigate the PaCT homescreen.*
